## Class info September Holidays

It is exciting to see absolute beginners achieving amazing results.

It is joyous to see the excitement on faces as, colours blend and fibres fuse and fleece turns to fabric at the touch of your hand and before your eyes.

Why not get together with a group of friends and unleash your creativity.

Participants will learn the basic principles of the ancient craft of felt making. You will start with fine merino wool tops, (fleece that has been washed, carded and dyed), and you will learn to lay out the tops, use a template to make a seamless pouch and 'full' the fibre using water, soap and agitation to make a strong fabric. The only stitching required is to attach the clasp. This workshop is suitable for beginners. No experience is necessary.

This is a walk in - have fun - walk out with 2 finished pouches class.

(One fee covers everything required. No kit to buy and no hidden extras.)

- ✓ Your choice of colours for Merino Wool tops.
- ✓ Your choice of closure- bead, button or magnetic clasp.
- ✓ Detailed and personalized tuition in a small group. (Min 5 participants)
- ✓ Use of rolling mats, templates, towels, soaps and all necessary materials.

PLEASE BOOK INTO THE CORRECT AGE CLASS, AS INSTRUCTION WILL BE AIMED AT AGE LEVEL.
